**THE BIBLE** — We believe the Bible, consisting of the Old and New Testament, to be the only inspired, inerrant, infallible, authoritative Word of God written.

**THE TRINITY** — We believe that there is one God, eternally existent in three persons: Father, Son, and Holy Ghost.

**THE LORD JESUS CHRIST** — We believe in the deity of Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.

**REDEMPTION** — We believe that for salvation of lost and sinful man regeneration by the Holy Spirit is absolutely essential.

**THE HOLY SPIRIT** — We believe in the present ministry of the Holy Spirit by Whose indwelling power and fullness the Christian is enabled to live a godly life in this present evil world.

**THE RESURRECTION** — We believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life, and they that are lost unto the resurrection of damnation.

**SPIRITUAL UNITY** — We believe in the spiritual unity of all believers in Christ.

**THE SOVEREIGNTY OF CHRIST**
Head of the Church.
Lord of the Conscience.

**THE UNITY OF CHRIST'S CHURCH**
Redeemed by His death.
Empowered by His life.

**THE LIBERTY OF CHRIST'S CHURCH**
In the fear of God.
In the limits of Love.

**THE URGENCY OF CHRIST'S CHURCH**
To evangelize the world.
To edify the Believer.

— from Ephesians 4:12-13

Pastor Bruce Brown
Conference President

Perhaps these words from the Word express better than any others what we believe our Lord has called us to in the Conservative Congregational Christian Conference.

Speaking the truth in a spirit of love, we seek the establishment, the exercising and the enjoyment of a fellowship deeply rooted in evangelicalism and widely branching out for the growth and fruitfulness of all true believers in Jesus Christ.

We want to encourage churches, ministers, students and lay people in their walk with God and their service to him — to see each local group of Christ's disciples strongly united first as a community for worship, then as a community for healing, then as a community for outreach.

We do not want to be a haven for dissidents, but an open fellowship for God's children whose heart for him, as revealed in Jesus Christ and the gospel, motivates them to join with us.

To you whose hands now hold this valuable little book — whether you are part of the CCCC family or not — we invited your reading and use of it, to help you have a better picture of who we are and to help us all grow in care and prayer for each other toward maturity in the knowledge of the Son of God.

— Bruce R. Brown

Gentlemen:

We have examined the statement of cash receipts and disbursements of Conservative Congregational Christian Conference (a non-profit organization) for the year ended December 31, 1981. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1, the Conference's policy is to prepare its financial statement on the basis of cash receipts and disbursements; consequently, certain revenue is recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying statement is not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

In our opinion, the financial statement referred to above presents fairly the receipts and disbursements arising from cash transactions of Conservative Congregational Christian Conference during the year ended December 31, 1981, on the basis of accounting described in Note 1, which basis has been applied in a manner consistent with that of the preceding year.

# CONSTITUTION AND BY-LAWS OF THE CONSERVATIVE CONGREGATIONAL CHRISTIAN CONFERENCE

## 1978

## PREAMBLE

In gratitude to Almighty God for the gift of salvation through our Lord Jesus Christ; and believing that, to the glory of God, the task of the Church of Jesus Christ is two-fold, i.e., the evangelization of the world and the edification of the saints; and believing further that there is a definite need among congregationally governed churches of historic Biblical persuasion for an association to assist them in the performance of said task: We, therefore, as autonomous churches declaring our unqualified belief in the entire Word of God written, humbly invoking the guidance of the Holy Spirit, have covenanted together to form such an association.

### Article I - Name

The name of this organization shall be: THE CONSERVATIVE CONGREGATIONAL CHRISTIAN CONFERENCE, hereinafter called the Conference.

### Article II - Purpose

1. To deepen and extend the fellowship of our churches.
2. To encourage a steadfast, Biblical witness by our churches.
3. To facilitate co-operation and counsel among our churches with regard to evangelism, edification, Christian education, stewardship, missions, church extension, Christian action, women's and men's fellowships, youth activities, the pastoral ministry, and other related concerns.
4. To preserve and promote the Scriptural principles of the autonomy of the local church and the freedom of the believer in Christ.

### Article III - Statement of Faith

1. We believe the Bible, consisting of the Old and New Testament, to be the only inspired, inerrant, infallible, authoritative Word of God written.
2. We believe that there is one God, eternally existent in three persons: Father, Son and Holy Ghost.
3. We believe in the deity of Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.
4. We believe that for salvation of lost and sinful man regeneration by the Holy Spirit is absolutely essential.
5. We believe in the present ministry of the Holy Spirit by Whose indwelling power and fullness the Christian is enabled to live a godly life in this present evil world.
6. We believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life, and they that are lost unto the resurrection of damnation.
7. We believe in the spiritual unity of all believers in Christ.

## Article IV - Statement of Polity

1. We believe that Jesus Christ is the Head of His body, the Church universal, and of each local church.

2. We believe that each local church is in itself a complete church, and therefore autonomous and possesses all rights and responsibilities of the church by the Holy Spirit as set forth in the Holy Scriptures.

3. We believe that Jesus Christ exercises His authority in each local church by the Holy Spirit and through the Holy Scriptures.

4. We believe that each local church is amenable only to Jesus Christ, and not to any association, conference, council, synod or any other ecclesiastical body.

5. We believe that it is proper and beneficial for each local church to seek fellowship and council of other such local churches.

## Article V - Membership

1. Membership in this conference shall be attained by the voluntary association of churches, ministers or individual laymen who find themselves in full accord with the Statement of Faith and Statement of Polity (Articles III, IV) of this constitution, and with the general principles of this Conference as set forth in the constitution and by-laws. Conference membership, whether of church, minister or layman, may be subject to review by the ensuing annual meeting of the Conference. Ministerial membership shall be accorded on the basis of the approved ministerial standards of the Conference, as set forth in the by-laws of this constitution. Churches are not necessarily barred from membership because of other affiliations so long as they adhere to the Statement of Faith and the Statement of Polity and the workings of the Conference. Individual lay membership may be held only by members of Congregational Christian Churches which are not member churches of this Conference, or by members of other congregationally governed local churches which also are not members of this Conference. In the event that a non-member church joins this Conference, the individual lay membership of any of its members ceases.

2. A church, minister or individual lay member may withdraw from membership in this conference at any time by its or his own action, and will be removed from the membership roll when written notice of such action is given to the Chairman of the Credentials Committee.

3. In the event that there is received a written statement that a member church, minister or individual lay member has departed from the standards of faith and practice set forth in this Constitution and By-Laws, the Committee on Credentials shall make a careful investigation of the matter. If the charge appears to the Committee to be justified, the Committee shall report the matter to the Conference for appropriate action. The Committee on Credentials shall file their report in writing with the Recording Secretary of this Conference and the party accused at least thirty days prior to the annual or special meeting at which the report is to be considered. The right to appeal to the Conference by the party accused is pre-supposed.

## Article VI - Associated Relationships

1. The Conservative Congregational Christian Conference encourages the forming of local fellowships, conferences, or associations, of churches and ministers who are in accordance with Article V, Section 1, of this constitution and who are in sympathy with the statements of faith and polity of this Conference.

Fellowships, conferences, or associations, whether state or area, may be recognized in this associated relationship upon request to and approval by the Credentials Committee. Such action will be subject to review by the ensuing annual meeting of the Conference.

Recognition by the Conference does not bestow membership in this Conference upon churches or ministers of the respective groups; churches, ministers, or individual laymen, may attain voluntary membership according to Article V — Membership, of this constitution.

Fellowships, conferences or associations, recognized by this Conference, will be represented in the Conference business meetings by the delegates of their member churches which are also members of this Conference.

1. Ordination to the ministry shall be by a local church, after examination by a council called by said church.

2. A candidate for Ordination to the Christian Ministry and subsequent ministerial membership in this Conference will be expected to have a life which is bearing the fruit of the Spirit, and which is marked by deep spirituality and the best of ethical practices. The candidate will be disqualified by any habits or practices in his life which do not glorify God in his body which belongs to God, or which might cause any brother in Christ to stumble.

3. This Conference recommends that any local church which calls an unordained man to its pastorate who does not hold a Ministerial License from this Conference allow a trial period of one year before proceeding with his ordination.

a. Every candidate for ordination is encouraged to first apply for Ministerial License.

b. Prospective candidates for the ministry, the mission field, and other areas of service are encouraged to apply for Conference Care Membership.

## VII - Ministerial Standards and Membership

1. Applications to the Conference

(a) A person who applies to this Conference for membership as an Ordained Minister, Licensed Minister, or Christian Worker, shall be required to provide a one-time application fee of $25.00.

(b) Full standing for Ministers and Christian Workers shall require their attendance at the Annual Meeting at which they are received.

(c) For applicants seeking full ministerial standing and having no previous relationship with this Conference, a one year waiting period shall be required. The Credentials Committee may grant a Ministerial license.

2. Ministerial Membership

a. A Ministerial standing in this Conference shall require:

(1) A minimum academic attainment of a diploma from an accredited Bible institute or the equivalent in formal education or Christian service. However, this Conference considers a seminary training to be desirable.

(2) Acceptable ordination to the Christian ministry.

(3) Reception into membership in the Conference in the manner provided by the Constitution (Article V).

(4) Membership in a Congregational Christian, or a congregationally governed, local church.

b. Good and regular standing of ministers shall indicate that they do hold Conference membership and are not under disciplinary penalty as a result of charges against them.

c. An associate or fellowship relationship only may be granted to ministers having their credentials in a non-Congregational body, entitling them to all the privileges of the Conference, with the exception of holding office, committee membership and voting.

d. Ministerial membership cards, both for ministers in full standing and for licensees, shall be issued annually on a calendar year basis following return of the annual questionnaire and receipt of a voluntary fee.

e. Ministerial members who are inactive for a period of two years, during which time they do not answer Conference or regional correspondence or questionnaires; and do not make a contribution, financial or otherwise; and do not attend any Conference or regional meetings; and do not make any contact whatever with this Conference, shall be contacted if at all possible by the Credentials Committee to ascertain their interest in this Conference. If there is no response, or no interest indicated, the names of such Ministerial members may be recommended by said Committee to any Annual Meeting of the Conference for removal from Ministerial membership in the Conference; similarly, recommendation may be made for removal from membership in any of the applicable three other types of membership as defined in the Constitution (Article V.1).

3. Licentiate Membership

Ministerial license to preach conferring authority to perform the regular functions of parish ministry, including the solemnization of marriages where legally permissible shall be granted by the Conference upon recommendation by the Credentials Committee and shall expire with the closing date of the ensuing Annual Meeting of the Conference, such license is renewable at the discretion of the Credentials Committee upon application to its chairman at least thirty (30) days before expiration of the license.

4. Christian Worker Membership

Any other person who is in accord with the Statement of Faith and with the Statement of Polity (Constitution, Articles III, IV), and with the general principles of this Conference set forth in the Constitution and By-Laws, and is engaged in a Christian vocation such as a mission executive, an editor of a Christian periodical, a director of Christian education, a director of evangelism, or a minister of music, may be received into membership as a Christian Worker in the manner provided by the Constitution (Article V). Such a member Christian Worker is entitled to all the rights and privileges of the Conference.

5. Conference Care Membership

a. Prospective candidates for the ministry, the mission field, and other areas of service such as Christian education, church administration, ministry of music and similar areas, may be received under Conference Care for guidance in preparation. Under such care the enrollee may study the Conference Study Course. The enrollee shall have an annual personal conference with a member of the Credentials Committee or with some Conference representative appointed by them. A person who has been received under Conference Care, is considered a member of the Conference under Conference Care, and is entitled to vote at all Annual Meetings and Special Meetings of the Conference. His vote does not necessarily have to be included in the delegation from his home church, if that church is a member of the Conference.

b. The standing of Conference Care may be granted to candidates described in By-Law VII, 4, a., from foreign countries who are resident, and only for so long a time as they are resident, for study in the United States of America.

6. Lay Preacher

The Conference shall provide for the status of Lay Preacher upon the application of an individual to the Credentials Committee and shall be available only to lay members of the Conference. Such status shall be granted for the purpose of recognizing an active lay witness of the individual, but it shall not include the privileges of licentiate membership such as authority granted by the Conference in licensing to perform the regular functions of a pastorate including the solemnization of marriages.

The status of Lay Preacher for the individual shall expire with the closing date of the ensuing Annual Meeting of the Conference and be renewable at the discretion of the Credentials Committee upon application at least thirty (30) days before the expiration of such status.

7. Individual Lay Membership

This membership shall be granted to members of congregationally governed churches which are not members of this Conference. Such individual Lay Members shall be granted the full privilege of conference Membership in accord with Constitution, Article V, 1, and Article VII, 3.

## VIII- Seal

The seal of the Conference in use at the time of this Constitutional revision shall continue as the official seal of the Conference, and shall be used by having the same, or a facsimile thereof, impressed or affixed, or reproduced otherwise.

## IX - Fiscal Year

The fiscal year of the Conference shall be from January 1 to December 31.

## X - Unprocessed Applications

Churches, ministers, or individual lay-members from non-member churches, whose applications for membership have been processed too late to be circulated to the entire Conference membership before the Annual Meeting, or whose applications are still in process, may be given the right to speak from the floor and/or the right to vote at the said Annual Meeting, by a majority vote of the assembled delegates.

## XI - Amendments

These By-Laws may be amended by the affirmative vote of two-thirds of the Conference members present and voting at any Annual Meeting or Special Meeting of the Conference, provided that in writing thirty days notice of the substance of proposed amendments to the By-Laws be given to all members of the Conference. Upon adoption of amendments, the orderly numbering, lettering, capitalization and spelling of the By-Laws shall be cared for by the Constitution Study Committee.

# CODE OF ETHICS

This Code of Ethics was adopted in 1977 at the 29th Annual Meeting.

## OPENING STATEMENT

The Christian Minister, as he points men and women to Jesus Christ, must himself be a committed and exemplary illustration of the very things he says is expected of his flock. This, therefore, calls for standards which we believe to be commensurate with the Christian Ministry:

## IN MY OWN LIFE:

Remembering my first responsibility is to God . . .

I will always devote time to seeking the will of God through reading the Scriptures and prayer.

I will endeavor to keep myself physically and emotionally fit.

I will consider the needs of my family as a sacred obligation before God.

I will seek in all ways to be Christlike in my attitude and conduct.

I will be biblical in my preaching, presenting the whole counsel of God, speaking the truth in love.

I will strive to introduce men to Christ, and to build His church.

## IN RELATION TO THE CHURCH:

Endeavoring to be a good shepherd of the church . . .

I will remember that I am called to lead, but also to serve.

I will never violate a confidence given to me.

I will be diligent in my duties as pastor, never lazy, but with God as my judge.

I will strive to develop leadership within my church and to involve them with me in the conducting of the affairs of the church.

I will prayerfully strive to keep the Lord Jesus Christ in the foreground of my ministry, knowing that God will not share His glory with another.

## IN RELATION TO OTHER MINISTERS:

Seeking to be a brother in Christ to my fellow ministers of the Gospel . . .

I will not seek to build my church at the expense of another church, nor my ego at the expense of another minister.

I will not speak disparagingly of either my predecessor or my successor.

I will refrain from pastoral contacts with former parishioners except with the knowledge of the present pastor.

## IN RELATION TO THE CONFERENCE:

Recognizing my duties to the larger fellowship of the Conservative Congregational Christian Conference, and being convinced of the purpose it fulfills in the Body of Christ, I will support it with personal participation, prayer and financial support as God enables me.

## STATEMENT REGARDING THE CHARISMATIC MOVEMENT

### PREAMBLE

Frequently the Board of Directors is asked questions regarding the position of the CCCC with respect to the Charismatic Movement and particularly the matter of glossolalia.

The Conference as a body would find it difficult, because of our congregational structure, to make a definitive policy statement. However, the Board of Directors wishes to present this simple statement as a product of its thinking and with the desire that the "Unity of the body" be maintained.

### A STATEMENT

"It is our conviction that the plain teaching of the New Testament is that the more spectacular sign gifts, i.e., tongues, healings and miracles, needed some degree of order that would prevent their indiscriminate use (1 Cor. 14:40). It appears that the Apostle Paul taught that the more spectacular gifts were secondary to those that instructed believers in faith and morals and that evangelized non-Christians (1 Cor. 12:28-31). Tongue speaking was certainly not forbidden (1 Cor. 14:39), but intelligent exposition of the Word of God, along with instruction in faith and duty was definitely superior.

"Therefore, brethren, we desire that in the life of our Conference there be neither evangelism on behalf of the spectacular gifts nor forbidding thereof. So that there be no confusion relating to our position, we give the following examples:

a. To use either the Annual Meeting or Regional gatherings for the promoting of these spectacular gifts is not in order as it will engender division.

b. To use either the Annual Meeting or Regional gatherings as platforms to antagonize brethren by denouncing these gifts is also out of order.

"That there should be no schisms in the body; but that the members should have the same care one for another." 1 Cor. 12:25.

### CONCLUSION

We respect those brethren who hold to the view that the sign gifts were withdrawn when the canon of Scripture was closed. We also respect those brethren who hold that these same gifts are still among us today. However, we are firm in our belief that messages received by means of these gifts are not equal to the revelation of God in Holy Scripture.
